Youth Sunday will be June 6th. This service is the time when we celebrate the youth in the church and their importance to us. Our children will take over most of the tasks of the 10:00 am service. They have been working hard to make this service very special. We will also recognize all our High School and College graduates along with our Sunday School teachers and Youth leaders. Please turn out to show your support of the youth of our parish.

We are proud of our Graduates

ADULT

FORMATION Wants YOUR Ideas! If you have an idea for an adult class you'd like to share with the Christian Formation Commission, just speak to Jan, Scott McGraw, Kris Draper, Pat House, Cindy Sisson or Bruce Husselbee. We'd love to hear your thoughts.

Great Picnic! No Ants!

What a day it was: The Feast of Pentecost, Confirmation Sunday, a visit from Bishop Light, three numbers by the Girls' Choir, a celebration of thanksgiving for our Sunday School Teachers, eighteen official new church members, no rain, a full house for our annual parish picnic, fun and games galore! Who could ask for more? Perhaps those who were near the end of the line and had to go without chicken could have asked, but in the scheme of things, it was an awesome day! On the picnic side, thank you to all who made it possible: the ticket sellers, the shoppers, the food orderer, the guy who made the Pollard's run, the ice haulers, the preparers of yummy side dishes, the set-up and clean-up teams, the priest who prayed the rain away, the organizers of the games, the hot dog griller, and those who purchased left-over bar-b-que for the benefit of our mortgage reduction! It's a joy to be part of such a wonderful church family!

Full Circle Meal Program

Full Circle Meal program or ACCESS as its official name is having some changes. We have four teams of cooks with between six and seven members in each team. We make 80 meals for AIDS patients each month and each team provides meals four times a year. Earlier this month All Saints suffered a tremendous loss in the untimely and sad death of June Kearley. June was a major part in the ministry of Full Circle. I am grateful and pleased to welcome Buddy Redfearn who will take over the leadership of June's teams.

We are also in need of another deliverer. Once the meals are prepared, they are placed in the freezer in Pinder Hall and one of our faithful drivers takes the meals at their convenience to the ACCESS center in Norfolk. One of our drivers is no longer able to do this so we would welcome another helper.

If you feel called to be a part of this ministry please contact me at 757-481-5275 or 757-621-9035 or jptempest@hotmail.com

A Silent Angel Will Be Missed... June Elisabeth Sadin Kearley

...A leader on the Parish Life Commission who stepped up to do nearly all of the food shopping for parish events and served as point person for the Parish Picnic and Coordinator for the Pancake Supper.

...A Full Circle Team Leader who "herded butterflies" every other month year-round as her team members prepared over 80 meals for individuals with AIDS.

...Chairman of the All Saint's Scholarship Review Committee who devoted untold hours February through May of each year coordinating the effort of receiving and evaluating over 80 applications, as well as communicating with the schools and the individual applicants.

...A faithful BUNCO player who always brought a new dessert for her friends to try.

...A member of Segar's Book Group who added to the depth of our discussions.

...A woman and friend of many gifts who was always there to lend a hand, lend an ear, lend a shoulder, improve processes, and be content out of the spotlight.

...A true silent angel.
