We love our Teachers!

The Sunday School year is drawing to a close and it is time for those who work weekly in church education to take Sabbath rest! I would like to thank all our wonderful and dedicated teachers for the outstanding job they did this year. The time, effort, commitment, and love that goes into this ministry is enormous and they all deserve our appreciation and respect. Thank you to **Barbara Kurrus (who is retiring after teaching Sunday School for 20 Years!)**, **Kris Draper**, and **Kathleen Hutton**, our atrium catechists; **Gilda Goldner**, **Jacky Kurrus** and **Karen Taylor**, our 1st thru 5th grade teachers; and **Dan Derbes**, **Samantha Derbes**, and **Sally McMahon**, our J2A leaders. Finally, we appreciate so very much all those who led, taught, or spoke at our adult classes. Thank you for a stimulating and enlightening year

Thank you for a great year to our faithful Chapel leaders and other Formation assistants:

Children's Chapel Continues through Summer

Children's Chapel will continue through the summer. Losing Megan to college and Courtney means **we need another volunteer for the team**. Call Jan Kibler if you'd like to help or join our ranks.

Our Nursery is open all summer, too!

The **Nursery** is open for both the 8 AM and 10 AM services. Please speak to Jan Kibler if you'd like to help once every 2 months or so with this very special ministry.

Stewart Shipp, our children's Stewardship mascot, is looking for food for his basket. Would you please remember to bring in some boxed or canned goods each Sunday? There are many people we feed from the All Saints' Food Bank who need our help. Thank you!

What IS a "Tract Rack"?

You may well ask. It is the gray metal rack in the corner of the Narthex, near the glass doors, full of tracts. A tract is a small book or pamphlet on a religious or political topic. The Episcopal Church has traditionally offered information and education via tracts. Our rack has just been populated with a slew of new tracts on a variety of interesting topics. Peruse at your leisure.

Summer Reading from Our Children's Library

We have an ever- growing selection of high quality books that children and teens may borrow or read while in our building or they make check out to take home. Visit our Christian Education library, just inside the educational offices, and "check them out"!

Thank you's and hugs:

- To all who worked to make our Youth Sunday and Parish Picnic a wonderful day: **Parish Life**, who set up the great picnic food and **all** those who selflessly prepared side dishes; **the games committee: Bruce Husselbee-coordinator, and his helpers, Theresa Husselbee, and Jeff Jucksch**, who planned, organized and saw the rain spoil all their efforts for the first time anyone can remember. They carried on with the little ones with some indoor games, but we really missed the egg toss and the new Boy Scout "Bounce House". Here's to sunny skies next year!

- To our terrific **Christian Education Commission: Janet Amriott, Kris Draper, Pat House, Bruce Husselbee and Jimmy Sisson** (vestry liaisons), **Rex Kibler, Scott McGraw, and Judy Petykowski** for their planning efforts, advice and support. Just wait until you see what we are planning for next year!
